Publications are listed alphabetically in broad subject area categories. Some publications could be listed in two or more categories; however, in the interest of conserving paper, we have listed them only once. Each citation provides the year the publication was printed, reprinted, or revised; pagination; publication number, and intended audience level.

To order single courtesy copies of NIMH publications, please complete and return the form on the last page. There is a limit of 10 titles per requester.

Multiple copies or bulk quantities of publications may be purchased directly from the Superintendent of Documents, U.S. Government Printing Office (GPO), Washington, D.C. 20402; telephone: (202) 783-3238. Information on the cost of publications is available from the GPO. A 25% discount is provided on quantity orders of 100 or more.

In most cases, NIMH publications are in the public domain and permission is not needed to reproduce them. However, some NIMH publications are reprints of copyrighted material or contain portions from copyrighted sources. These publications carry a copyright notice and may not be reproduced without permission of the copyright holder. When NIMH materials are reproduced, acknowledgment of the source is appreciated.
